

Tuesday, April 10, 2012 -- Higher Education Funding

The April 10, 2012 meeting of LWVCA focused on funding issues in Higher Education in South Carolina: the low level of state support; the high and rising tuition bills; and the availability of lottery scholarships to fill in some part of the gap. Catherine Watt, Ellen Saltzman and Holley Ulbrich of Clemson University's Strom Thurmond Institute addressed these important questions.

Ellen Saltzman and Catherine Watt talk with Rep. B. R. Skelton after the meeting.
