

March 8, 2011 -- You and the New Health Care Bill

You and the New Health Care Bill" with Dr. Windsor Sherrill, Associate Professor in the Public Health Science Department at Clemson University.

Dr. Sherrill talked about the details of the Patient Protection and Affordable Care Act (commonly called the Affordable Care Act). She explored SC's health care needs and special concerns of the state budget, including the plans/actions being taken in the state to dismantle portions of health care reform.
